Values

Partner 1 *STAR* your top ten values. Partner 2 *CHECK* your top ten values.

Share with one another. As you talk, each person narrow it down to your top three values.
Underline them.

Why did you select those three? Where did you learn these values were important?

As partners, discuss what your top five values to teach your children are. *Circle them.*

Values

Discuss and write down how you will teach your children these values.
